While Leonard Robinson of 4 Currier street attempted to start his kerosene stove at his home, the gasoline on his fingers became ignited. He started for the kitchen door with the intention of preventing any further trouble, but as he moved his flaming hand through the air, fumes from gasoline, which rose from the contents of a bottle standing four feet from the stove, carried the blaze to the bottle. An explosion followed and the kitchen was enveloped in flames. Seizing a rug nearby, Mrs. Robinson smothered part of the fire on the floor but already the wall paper and some of the woodwork was burning, so a general alarm from box 312 summoned the fire department. Upon the arrival of the truck all danger was over. Mr. and Mrs. Robinson having extinguished the blaze with water, Mr. Robinson was slightly burned on the right hand. Two doors, as well as other woodwork will have to be replaced, while the paper over half of the kitchen was destroyed by the flames and paint at all points of the room was ruined by the heat.

## WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N.J. — "For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in my newspaper, and tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound — that is what I recommend it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills." — Mrs. MARTHA STANISLAWSKI, 524 Penn St., Perth Amboy, N.J.

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.
